

# The Real Thing (The Pound System Mix)

Kylie Minogue

Come and see the real thing  
Come and see the real thing  
Come and see  
Come and see the real thing  
Come and see the real thing  
Come and see  
There's a meaning there  
But the meaning there  
Doesn't really mean a thing  
Come and see the real thing  
Come and see the real thing  
Come and see I am the real thing  
Um mau mau mau mau  
Um mau mau mau mau  
Um mau mau mau mau  
Um mau mau mau mau  
Um mau mau mau mau.....Trying hard to understand  
But really not  
You're seeing me  
Trying hard to understand  
But really not  
You're seeing me  
There's a meaning there  
But the meaning there  
Doesn't really mean a thing Come and see the real thing  
Come and see the real thing  
Come and see I am the real thing  
Um mau mau mau mau  
Um mau mau mau mau  
Um mau mau mau mau  
Um mau mau mau mau  
Um mau mau mau mau.....I am not seeing I am not seeing  
Aah  
Trying hard to understand  
But really not  
You're seeing me  
Trying hard to understand  
But really not  
You're seeing me

There's a meaning there  
But the meaning there  
Doesn't really mean a thing  
Come and see the real thing  
Come and see the real thing  
Come and see I am the real thing

Um mau mau mau mau  
Um mau mau mau mau  
Um mau mau mau mau  
Um mau mau mau mau  
Um mau mau mau mau.....  
Um mau mau mau mau.....I am the real thing
