

Hollerado Land (By Sam)

Hollerado

(shhh)
Hollllll-er-adoooooooo
When you take a trip
Better not take a dip, in alligator pond
'Cause then you'll lose your arm
Wish you were baaaaaaa-ack
In Hollerado Land When you take a plane down to the runway lane
In the Hurricane Isles
You'll find after a while, there's no better plaaaaa-ace
Than Hollerado Land When you take to the sky
Towards Alpha Centauri
The aliens will take your ship
They'll leave you floatin' adrift
Forever in seeeeeeeeeaaarch
Of where? Of Hollerado Land.
