

Heaven In the Real World

Steven Curtis Chapman

I saw it again today in the face of a little child
Looking through the eyes of fear and uncertainty
It echoed in a cry for freedom across the street and across the miles
Cries from the heart to find the missing part Where is the hope, where is the peace?
That will make this life complete
For every man, woman, boy, and girl
Looking for Heaven in the real world To stand in the pouring rain and believe the sun will shine again
To know that the grave is not the end
To feel the embrace of grace and cross the line where real life begins
And know in your heart you've found the missing part There is a hope, there is a peace
That will make this life complete
For every man, woman, boy, and girl
Looking for Heaven in the real world, Heaven in the real world It happened one night with a tiny Baby's birth
God heard creation crying and He sent Heaven to Earth He is the hope, He is the peace
That will make this life complete
For every man, woman, boy and girl
Looking for Heaven in the real world He is the hope, He is the peace
That will make this life complete
For every man, woman, boy and girl
Looking for Heaven in the real world Heaven has come to the real world
Heaven has come, come to the real world
He is the hope, He is the peace
He's heaven, He's heaven, heaven in the real world Heaven, Heaven in the real world
Heaven, Heaven in the real world
Heaven, Heaven in the real world
