

Black Pearl

Dave Darell

Mother come pick me up
I feel I've lost all that I knew
 In this forest full of lies
You're all that's ringing true
 Oh, by my world
 Black Pearl
 Forever my world
 Black Pearl
 Gather all that's left
Place my fears up on this shelf
 Now I feel alive
As I'm no longer by myself
 Oh, by my world
 Black Pearl
 Forever my world
 Black Pearl
 Oh, by my world
 Black Pearl
 Forever my world
 Black Pearl
