My Hero Is You

Hayden Panettiere

You know I try to be, all that I can
But there's a part of me, I still don't understand
Why do I only see, what I don't have
When my reality is really not that bad
Your faith has shown me that
When my world goes crazy, you won't let go
When the ground gets shaky, you give me hope
When I try to push you away, you never move
Now I passed that doubt and it help me see
there's a faith,and love and a power in me
You believe there ain't nothing I can't do
My hero is you, yeah my hero is you
