Skin

Simian

I need your eyes, I need your smile
I want your mind, I want your lifeI need your skin, skin, skin, skinI need your voice, I ain't got no choice
I want your mind, I want your lifeI need your skin, skin, skin, skinI need your time, I cannot lie
You're on my mind, all day and nightI need your touch, I ain't asking much
Give me your mind, give me your lifeI need your skin, skin, skin, skin, skin
(I need your eyes)
Skin
(I need your smile)Skin
(I want your mind)
Skin
(I want your life)Skin
(I want your life)
Skin
(I want your life)
