Come What May

Ewan McGregor

Never knew I could feel like this
Like I've never seen the sky before
Want to vanish inside your kiss
Every day I love you more and moreListen to my heart, can you hear it sing?
Telling me to give you everything
Seasons may change, winter to spring
But I love you until the end of timeCome what may, come what may
I will love you until my dying daySuddenly the world seems such a perfect place
Suddenly it moves with such a perfect grace
Suddenly my life doesn't seem such a waste
It all revolves around youAnd there's no mountain too high, no river too wide
Sing out this song and I'll be there by your side
Storm clouds may gather and stars may collide
But I love you, I love you
Until the end of time
(Until the end of time)Come what may, come what may
I will love you until my dying day
Oh, come what may, come what may
I will love you, I will love youSuddenly the world seems such a perfect placeCome what may, come what may
I will love you until my dying day
