Satisfied (feat. MAX)

Galantis

One hand on my shoulder
Get a little bit closer
Come on, make a move, yeahSkip through all the small talk
I'mma see you with the lights off
So let's go to your room nowYou know that I'm impatient
My imagination's wandering and running wild
Can you hear that?
My heart is racing, you keep up the pace
Then I might let you stay the night
I need somebody, body
Their hands on my body, body
You could be that somebody, body
Keep me satisfied
Hear me breathing, breathing
Don't want it, I need it, need it
We're getting heated
Come on and keep me satisfied(Oh, yeah)
Keep me satisfied
Keep me satisfiedStarted on the way home
Don't stop till I say so
Just a little longer
You know when we get there
No reason to be scared, nah
Come on a little stronger
You know that I'm impatient
My imagination's wandering and running wild
Can you hear that?
My heart is racing, you keep up the pace
Then I might let you stay the nightI need somebody, body
Their hands on my body, body
You could be that somebody, body
Keep me satisfied
Hear me breathing, breathing
Don't want it, I need it, need it
We're getting heated
Come on and keep me satisfied
I need somebody, body
Their hands on my body, body
You could be that somebody, body

Keep me satisfiedOh, yeahKeep me satisfied
Keep me satisfied
Keep me satisfied
Keep me satisfied
