

To The Top (ft. Christopher Martin)

Gentleman

We can make it if we try
Only if we try
Hold your head up hold it high
Got to hold it high
Journey on that never stop
We can make it to the top
We can make it to the top
Ain't no turning backWhat we need is unification
We got to find some motivation
Set side in your destination
Be more precise with your estimation
Put your head up on the price now
Now it's time we organize now
Elevate you're on the rise now
We are the element of surprise nowWe can make it if we try
Only if we try
Hold your head up hold it high
Got to hold it high
Journey on that never stop
We can make it to the top
We can make it to the top
Ain't no turning backHold on for a minute
Cause the sky is the limit
Hold on firm and you win it
Don't be a mimick
So dem can't come gimmick
When dem out you are in it
Read between the lines dem
Watch we design then
Nuff a dem lost and dem say we fi find dem
Nuff a dem a devil so you know we nuh join dem
Have a bag talk and no meaning behind demWe can make it if we try
Only if we try
Hold your head up hold it high
Got to hold it high
Journey on that never stop
We can make it to the top
We can make it to the top
Ain't no turning backFind a way to hold your faith

Even when dem underrate
Don't you dare to hesitate
Time to communicate
Don't you ever wait to late
You got so much at stake
Sometimes you give an take
No reason to debate
No reason to debate We can make it if we try
Only if we try
Hold your head up hold it high
Got to hold it high
Journey on that never stop
We can make it to the top
We can make it to the top
Ain't no turning back
Ain't no turning back
Ain't no turning back
