Get nasty as you wanna be

Thick, young, tender (yeah)

She ain't ever met a nigga like me (huh?)

She got a bust-down Rollie like me (burr)

Get nasty as you wanna be

Thick, young, tender

She ain't ever met a nigga like me (wow)

Nah, never met a nigga like me (Gato)

Get nasty as you wanna be

Thick, young, tender

Sugar daddy got so much heat (wow)

Pusha man, I push so much piece (burr)

Get nasty as you wanna be

Oh, I'm, showin' out, that lil' hair done grewed out

Guwop 808 just dropped and I threw up the whole knot

Stove top, smokin' hot, been scrapin' this pot a whole lot

In Magic City parkin' lot, I threw up the whole profit

Old profit, told you shit 'bout first you even heard 'bout it (shh)

Rock salad, ten bricks in a day, she not worried 'bout it

Big money, Gucci Mane, I know you freak hoes heard 'bout me

So much money, so much sauce, I might try dress everybody (go)

Gucci poppin', I don't want it if I ain't the first to cop (no)

Top droppin', window tinted darkly so she not stoppin' (wow)

My ho poppin', she so turnt your ho tried take my ho shoppin' (go)

Legs lockin' 'cause I'm tryna fuck her like the feds watchin' (wow)

Thick, young, tender (hu)

She ain't no PYT (no)

She ain't ever met a nigga like me (huh?)

Get nasty as you wanna be (yeah)

Thick, young, tender

She ain't ever met a nigga like me (huh?)

She got a bust-down Rollie like me (burr)

Get nasty as you wanna be

Thick, young, tender

She ain't ever met a nigga like me (wow)

Nah, never met a nigga like me (Gato)
Get nasty as you wanna be (yeah)
Thick, young, tender
Sugar daddy got so much heat (wow)
Pusha man I push so much piece (burr)
Get nasty as you wanna be
Gettin' money in the club, and she know (hu)
See the dope man, ho, she know (ho)
And her old man used to sell dope
All her exes done moved kilos
She a thick young tender, she grown
I'm the plug, only thing she know
Over 21, she way past grown
And her booty got so so swole
Titties just got done, they swole
She a fool, how she work that pole
So thick, make a nigga look backwards
Leave marks on her neck like Dracula
To a kingpin, money don't matter
If he want it, then he come and get at her
She fuckin' her way up the ladder
That ass gettin' fatter and fatter (wow)
Thick, young, tender (yeah)
She ain't no PYT (no)
She ain't ever met a nigga like me (huh?)
Get nasty as you wanna be
Thick, young, tender (yeah)
She ain't ever met a nigga like me (huh?)
She got a bust-down Rollie like me (burr)
Get nasty as you wanna be
Thick, young, tender
She ain't ever met a nigga like me (wow)
Nah, never met a nigga like me (Gato)
Get nasty as you wanna be (yeah)
Thick, young, tender
Sugar daddy got so much heat (wow)
Pusha man I push so much piece (burr)
Get nasty as you wanna be (wow)
