

# When Your Lover Has Gone

**Billie Holiday**

When you're alone, who cares for starlit skies?  
When you're alone, the magic moonlight dies  
At break of dawn there is no sunrise  
When your lover has gone What lonely hours the evening shadows bring  
What lonely hours with memories lingering  
Like faded flowers life can't mean anything  
When your lover has gone When you're alone, who cares for starlit skies?  
When you're alone, the magic moonlight dies  
At break of dawn there is no sunrise  
When your lover has gone What lonely hours the evening shadows bring  
What lonely hours with memories lingering  
Like faded flowers life can't mean anything  
When your lover, when your lover has gone
