Christmas Passing Through

The Roches

What's the time? Christmas time
I love Christmas time
Look at that Christmas tree
Shining brightly, ohPeace on earth
Peace on earthWho's the king lying down?
Doesn't have a crown
He has come to us poor
Simple, good and purePeace on earth
Peace on earthHere's a gift wrapped up tight
Open up this bow tonight
Love for all, not just a few
Another Christmas passing throughPeace on earth
Peace on earth
