You've Got Another Thing Comin'

Judas Priest

One life, I'm gonna live it up
I'm takin' flight, I said, I'll never get enough
Stand tall, I'm young and kinda proud
I'm on the top as long as the music's loudIf you think I'll sit around as the world goes by
You're thinkin' like a fool 'cause it's a case of do or die
Out there is a fortune waitin' to be had
You think I'll let it go you're mad
You've got another thing comin'You've got another thing comin'That's right, here's where the talkin' ends
Well, listen this night there'll be some action spent
Drive hard, I'm callin' all the shots
I got an ace card comin' down on the rocksIf you think I'll sit around while you chip away my brain
Listen, I ain't foolin' and you'd better think again
Out there is a fortune waitin' to be had
You think I'll let it go you're mad
You got another thing comin'You've got another thing comin'
You've got another thing comin'In this world we're livin' in, we have our share of sorrow
Answer now is don't give in aim for a new tomorrowOh, so hot no time to take a rest, yeah
Act tough, ain't room for second best
Real strong, got me some security
Hey, I'm a big smash, I'm goin' for infinity, yeahIf you think, I'll sit around as the world goes by
You're thinkin' like a fool 'cause it's a case of do or die
Out there is a fortune waitin' to be had
You think I'll let it go you're mad
You've got another thing comin'You've got another thing comin'
You've got another thing comin'
You've got another thingComin', yeah
You've got another thing comin'
You've got another thing comin'
You've got another thing comin'
