Same Ol' Bitches

Kingspade

I've been all around the world, I been alot of places
I seen alot of different faces, their attitude you can't replace
They're just the same ol bitches
I've been all around the world, I been alot of places
I seen alot of different faces, their attitude you can't replace (yo)
They're just the same ol bitchesWhen you travel abroad and you need a broad
And you think shes gonna be different from the rest of them all
But come to find out she's got alot in common
With the rest of the girls that you already callin
She gets jealous when you get a late call
And she also likes to spend all your money at the mall
To me its all weird I like to kick it low key
Females is all the same from the states to overseas
So I'm searchin for the one who is secure
A real woman who can act nice and pure
But be a freak when we roaming in the sheets
You know the type to wake the neighbors while she moans and screams
When it's late at night after a couple of drinks
She don't wanna fight she wanna go home quickly
So we can be alone for the super sex session
If I ever find that girl it'll truly be a blessingI've been all around the world, I been alot of places
I seen alot of different faces, their attitude you can't replace
They're just the same ol bitches
I've been all around the world, I been alot of places
I seen alot of different faces, their attitude you can't replace (yo)
They're just the same ol bitchesWork it out, shake that ass, move your hips, feel that shit
Find a beat, scrape the ground, hit the floor, grab your tits
Take control be the show, let these other ladies know
You're the queen I'm the king, nobody does it better than me
That's right baby I'm a horny ass dude
And I just can't stop thinking about me and you
We straight getting it on in the back of the bus
With the system banging face down ASS UP!
I'm a skinny motherfucker with my hand on my dick
Come through fucked every last bitch in your clique
You know how we do it when the kid come through
(We love you D loc) yeah I love you too
I'm the R-I-C-H-T-E-R
You know Richter be puttin it down like a pornstar

But this ain't a movie baby this is sex in the flesh
When you fuckin with J.R. you fuckin with the bestI've been all around the world, I been alot of places
I seen alot of different faces, their attitude you can't replace
They're just the same ol bitches
I've been all around the world, I been alot of places (sexy)
I seen alot of different faces (sexy), their attitude you can't replace (yo)
They're just the same ol bitchesThere's alot of pretty girls all around the world
And there's alot of pretty girls I would like to fuck
And everywhere I look there's another pretty girl
Because pretty girls are all stuck up
Britney Spears got a 'fuck me' face
You can see it in those eyes she'd fuck you any place
I couldn't imagine being up in those thighs
The way she wiggles that ass all around side to side
Wanna talk about ass, I go right to the booty
Jennifer lopez you do Ben you'll do me
Talk about do the deed, what about the double team
Get the Hilton hoes boozed up in the I.E.
Bounce to the beach and meet up with my peach (mwah)
Christina Aguilera sittin naked by the seas
Hit her off quick out to see Jessica
Bumped into Nick and said check yo bitchI've been all around the world, I been alot of places
I seen alot of different faces, their attitude you can't replace
They're just the same ol bitches
I've been all around the world, I been alot of places (sexy)
I seen alot of different faces (sexy), their attitude you can't replace (yo)
They're just the same ol bitches
I've been all around the world, I been alot of places
I seen alot of different faces, their attitude you can't replace
They're just the same ol bitches
I've been all around the world, I been alot of places (sexy)
I seen alot of different faces (sexy), their attitude you can't replace (yo)
They're just the same ol bitches
