Over My Head

The Summer Obsession

The sun is going down
on this island I found
she is a girl surrounded by deadly seas
and I can sense in her eyes
she is nothing but lies
and I believed it was paradise

And Iâ€™m such a fool
(Iâ€™m such a fool)
I donâ€™t have a clue
why I dive in too deep
where the water is over my head
I dive into deep
where the water is over my head

Now Iâ€™m on my back
sunk into the shore
all salty and dehydrated
I can see the irony
I believe itâ€™s killing me
I donâ€™t need another thing to sink me

And Iâ€™m such a fool
(Iâ€™m such a fool)
I donâ€™t have a clue
why I dive in too deep
where the water is over my hear
I dive in too deep
where the water is over my head
I can see the irony
I believe itâ€™s killing me
(Iâ€™m sinking iâ€™m sinking)
I can see the irony
I believe itâ€™s killing me
(Iâ€™m sinking Iâ€™m sinking)

And Iâ€™m such a fool
I donâ€™t have a clue
why I dive in too deep

(over my head)
(over my head)

I dive into deep
where the water is over my head
I dive into deep
where the water is over my head
where the water is over my head
where the water is over my head
