Daybreak

Sierra Hull

Take me to a place,
Where love is all I feel when I see your face.
All I need to do is close my eyes and open my heart,
And let you move.[Chorus]
Oh daybreak, something' bout daybreak,
Breaks my heart in so many ways.
Oh daybreak, somethin' bout the way the day breaks,
And it's all that I can take, to make it through the day,
After daybreak.When I see the sun,
It feels like my whole world has just come undone.
Cause I think of him, and how it seems our hearts just couldn't ever win,
And how it had to end.[Chorus]
Just like daybreak - something' bout daybreak,
Breaks my heart in so many ways.
Oh daybreak, somethin' bout the way the day breaks,
And it's all that I can take, to make it through the day,
After daybreak.[Bridge]
I close my eyes, and feel you alive.
Lord, help me find a way,
To face the day.[Chorus]
Oh daybreak - something' bout daybreak,
Breaks my heart in so many ways.
Oh daybreak, somethin' bout the way the day breaks,
And it's all that I can take, to make it through the day,
After daybreak.Take me to a place,
Where love is all I feel when I see your face.
