

# Not A Love Song

Ross Lynch

You're always on my mind  
I think about you all the time  
Um, noLet's not talk about it  
Drama, we can live without it  
Catch a wave if we're bored  
There's a clock we'll ignore  
Find a way around itHey girl, I can tell there's something  
Even when you say it's nothing  
When you're playing with your hair  
Like you just don't care  
It's a tell you're bluffingNow please don't take this the wrong wayI love the things you do  
It's how you do the things you love  
Well it's not a love song, not a love songI love the way you get me  
But correct me  
If I'm wrong  
This is not a love song, not a love songI love that you bought a ticket  
And you don't make me watch a chick flick  
We've come so far  
Being just the way we are  
If it's not broke, don't fix itI can't guess the meaning  
When you don't say what you're feeling  
If you got a broken heart,  
You can punch me in the arm  
Now that's what you're needing (that's what you're needing)  
Don't take this the wrong wayI love the things you do  
It's how you do the things you love  
Well it's not a love song, not a love songI love the way you get me  
But correct me  
If I'm wrong  
This is not a love song, not a love songI don't speak girl  
Like "Hey girl!"  
I don't quite understand a manicure  
But you're the only friend I'd take a shower for  
And I would hold your bags when you go shopping  
What a guy!  
What a guy!I love the things you do  
It's how you do the things you love  
The way you sing it,  
Put me through it

I guess I always knew it (I always knew) I love the way you get me

But correct me

If I'm wrong

This is not a love song, not a love song I love the things you do,

It's how you do the things you love

But it's not a love song (no, definitely not a love song)

Not a love song I love the way you get me

But correct me,

If I'm wrong

This is not a love song (it's not a love song)

Not a love song

This is not a love song (it's not a love song)

Not a love song

This is not a love song (it's not a love song)

Not a love song
