

# 1000 Times

Sara Bareilles

Back of the room  
Looking at you  
Counting the steps  
Between us  
A hundred and five  
Little blades in a line  
From your skin to mine  
And I feel it  
Eyes on the ground  
But I can't look up now  
Don't wanna give it away  
My secret  
In another life, I my teeth and tongue  
Would speak aloud what until now I've only sung 'Cause I would die to make you mine  
Bleed me dry each and every time  
I don't mind, no I don't mind it  
I would come back a thousand times You can make me wait forever  
Push me away and tell me never  
I don't mind, no I don't mind it  
I would come back a thousand times Kiss me goodnight  
Like a good friend might  
I'll do the same  
But won't mean it  
'Cause love is a cage  
These words on a page  
Carry the pain  
They don't free it  
In another life I wouldn't need to  
Console myself as I resign to, release you 'Cause I would die to make you mine  
Bleed me dry each and every time  
I don't mind, no I don't mind it  
I would come back a thousand times You can make me wait forever  
Push me away and tell me never  
I don't mind, no I don't mind it  
I would come back a thousand times Again again I let it go, let it go  
Cover my mouth I don't let a single word slip  
Out wouldn't wanna tell you, no tell you, no  
Nothing could be worse than the risk of  
Losing what I don't have now  
And we could buy the minute, though is it so bad

If I wanna cry out That I would die to make you mine  
Bleed me dry almost every time  
But I don't mind, no I don't mind it  
I would come back a thousand times Make me wait forever  
Push me away and tell me never  
But I don't mind, no I don't mind it  
I would come back a thousand times I would come back a thousand times  
I would come back a thousand times
