

Bop Bop (feat. Eric Turner)

Inna

[Eric Turner]

Bop bop close the shop

Big night on the rocks

Bop bop bop

Bop bop close the shop

Big night on the rocks

Bop bop bop bop

Bop bop bop bop [Inna]

Woke up Mexico

Tan lines here we go

Gin whiz in my glass

Shake shake shake my shot

We need all the cash

New sing, fade out black

Bop bop bop bop

Bop bop bop bop

Milkshake on the rocks

They're dancing in the streets

Hands up, holler back and come on dance with me

High hands on your hips, and work it baby please

One kiss on the lips, it's summer by the sea

Mister frisky Bop bop close the shop

Big night on the rocks

Bop bop bop

Bop bop close the shop

Big night on the rocks

Bop bop bop bop

Bop bop bop bop Wake up it's time to land

Every day till the juice is in

Mix it up till there's barber in

Now you're tripping on the good life

Get your rocking like an animal

Or it's baby walk the door

Bop bop bop

Bop bop bop Milkshake on the rocks

They're dancing in the streets

Hands up, horror back and come on dance with me

High hands on your hips, and work it baby please

One kiss on the lips, it's summer by the sea

Mister friskyBop bop close the shop
Big night on the rocks
Bop bop bop
Bop bop close the shop
Big night on the rocks
Bop bop bop bop
Bop bop bop bopHands against the wall mr officer
