

Runaway

Pierce Fulton

If nothing is how it used to be
Then I don't wanna be, wanna be here
Inside the eye of hurricanes
Where we are enemies

Take me back to where we're from
Place where you and I begun
Give me back my faith in us
My faith in love

Cause you feel like home
And I'm a runaway
And I know that without you
I wouldn't last one day

Cause you feel like home
And I'm a runaway
And I know that without you
I wouldn't last one day, no

If this is the road that we will take
Walking the line between bend and break
I need a hand to hold on to
But yours is far away

Take me back to where we're from
Way before all of this begun
Give me back my faith in us
My faith in love

Cause you feel like home
And I'm a runaway
And I know that without you
I wouldn't last one day, no
