Saving Myself

Davy Knowles

Verse 1:
Many boys i know wanna be friend, but all i think about is when is the next time ima see you again, i said all i think about is you, the way that i feel every time i'm with you, the way that i really hope i make you feel too i can have any boy i want but im saving myself for one...
Chorus:
I know I shouldn't be thinking like this I'm saving myself I'm saving myself for you i know this ain't the time but I'm sure that I'm saving myself I'm saving myself for you, see i got so many boys around the world that wanna love me but i don't let em cause i know what i wanna do it's true and i don't care what nobody thinks I'm saving myself for you
Verse 2:
Im not just saving myself for the kisses and the good times no (im saving my) i'm saving myself for the way we work it out when it ain't right im saving myself (im saving myself for the day you say that) you made the choice and im the only one that you wanna give your love to baby cause it's true that i'm

Chorus:
I know I shouldn't be thinking like this I'm saving myself I'm saving myself for you i know this ain't the time but I'm sure that I'm saving myself I'm saving myself for you, see i got so many boys around the world that wanna love me but i don't let em cause i know what i wanna do it's true and i don't care what nobody thinks I'm saving myself for you
Bridge:
Saving myself for our very first dance, saving myself for the very first chance i get to show you how i do romance boy i think by now you should see i'm saving myself in every way, saving myself both night and day, saving myself baby i will wait i don't care how long it takes
Chorus:
I know I shouldn't be thinking like this I'm saving myself I'm saving myself for you i know this ain't the time but I'm sure that I'm saving myself I'm saving myself for you, see i got so many boys around the world that wanna love me but i don't let em cause i know what i wanna do it's true and i don't care what nobody thinks I'm saving myself for you
