New Art Riot

Human Cycle

First you came in
Is this the perfect sin?
And then you said itHolding that night
In memory
For all this timeTime to begin
A new art riot
And then you prayed it
Holding that night
In memory
For all this time
I couldn't seeI can see it in you face
You can't stand one more disgrace
I can see it in you face
You can't stand one more disgrace
Holding that night
In memory
For all this time
I couldn't seeI can see it in your face
I can see it in your faceI cried...
