

Yesterday Don't Mean S**t

Pantera

There's nothing special about it
It's either there when your born or not
Gifted with talent are no big deal
Welcome to the death of a century'Cause yesterday don't mean shit
What's over is over and nothing between
Yesterday don't mean shit
Because tomorrow is the day you will have to face
There's no rewinding time
Because yesterday don't mean shit
Yesterday don't mean shitReliving old reviews is a useless tool of confusion
Don't hold your breath for the turn around
Come into the world of endless odds'Cause yesterday don't mean shit
What's over is over and nothing between
Yesterday don't mean shit
Because tomorrow is the day you will have to face
There's no rewinding time
Because yesterday don't mean shit
Yesterday don't mean shitThey will tell you all about guilt
And in time you'll face the darkness
But darkness is a friend to you
Embrace and fly through the madness
Flying past God and wars and conflict
The oppressor is in you
The oppressor is in you
Plowing through minds and paranoia
The oppressor is in you
The oppressor is in you'Cause yesterday don't mean shit
What's over is over and nothing between
Yesterday don't mean shit
Because tomorrow is the day you will have to face
There's no rewinding time
Because yesterday don't mean shit
Yesterday don't mean shitYou protect you and I'll keep you to myself
It can only be that way
