

That Heavenly Home

Ernie Dawson & Heirline

THAT HEAVENLY HOME by Heirline

I'm looking away, beyond the dark stream
To Heaven's fair home, of which I oft dream
There millions have gone, its glory to share
Get ready my friend, to live over there.

CHORUS:

That Heavenly home, lies over death's sea
Where loved ones I know, are waiting for me
With Jesus we'll live, in glory divine
That Heavenly home, will surely be mine.

That Heavenly home, has mansions of light
No storm clouds will rise, no shadows of night
No sorrow no pain, all sin will be gone,
We'll live with the Lord, while ages roll on.

REPEAT CHORUS X 2

TAG:

That Heavenly home, will surely be mine
