

# Cheap Kicks

## Noisettes

Put me in the cab, it's raining outside  
Had it up to here, this is the last time  
You kissed me on my throat in broad daylight  
And we were like two kittens in a play fight  
It didn't last a week, I could have told you so  
You were too much for me and I didn't let you know  
So now you love me, gone to the dark side  
And I'm in somebody's arms to get you off my mind  
Cheap kicks are alright  
If you don't know what's good for you tonight  
Cheap kicks are alright  
If you don't know what's good  
A million hearts are broken every hour  
It'll be okay, don't let the milk turn sour  
Now there'll be no more going through the motions  
And there'll be no more drowning in sweet potions  
It didn't last a week, I could have told you so  
You were too much for me and I didn't let things grow  
So now you loathe me, you've gone to the dark side  
I'm in somebody's arms to get you off my mind  
Cheap kicks are alright  
If you don't know what's good for you tonight  
Cheap kicks are alright  
If you don't know what's good  
Cheap kicks are alright  
'Cause you don't know what's good for you sometimes  
Cheap kicks are alright  
If you don't know what's good  
Cheap kicks are alright  
Cheap kicks are alright  
Cheap kicks are alright  
If you don't know what's good  
Cheap kicks are alright  
If you don't know what's good for you sometimes  
Cheap thrills are alright  
If you don't know what's good  
Cheap kicks are alright  
Cheap kicks are alright  
Cheap kicks are alright  
Cheap kicks are alright  
Cheap kicks are alright  
Cheap kicks are alright
