# Waitin' For The Wind

## Spooky Tooth

Lonely is the night
and now darkness has fallin
Nothing seems right
and the world is callinEverybody's looking back
As the wind comes whispering by
They 're waitin' for the answers then
Like the time they heard a cry
Hang onI know
Don't ever go
Life's hereWind called on me
How it took me by surprise
Cause night comes upon me
Creeping through the distant skiesWind tell me what you can
'Bout the life - What I came from
A breeze blew and whispered then
In a voice rich as the sunHang on
I knowDon't ever go
Life's here
