

Innocent When You Dream (Barroom)

Tom Waits

The bats are in the belfry
The dew is on the moor
Where are the arms that held me?
And pledged her love before?
And pledged her love before? It's such a sad old feeling
The hills are soft and green
It's memories that I'm stealing
But you're innocent when you dream
When you dream
You're innocent when you dream
When you dream, you're innocent when you dream I made a golden promise
That we would never part
I gave my love a locket
And then I broke her heart
And then I broke her heart It's such a sad old feeling
The fields are soft and green
It's memories that I'm stealing
But you're innocent when you dream
When you dream
You're innocent when you dream
Innocent when you dream Running through the graveyard
We laughed my, friends and I
We swore we'd be together
Until the day we died
Until the day we died It's such a sad old feeling
The fields are soft and green
It's memories that I'm stealing
But you're innocent when you dream
When you dream
You're innocent when you dream
When you dream
