And You Don't Stop

Kelly Price

Come on, keep moving
Hey, and you don't stop
Come on, keep moving
Hey, and you don't stop
Come on, keep moving
Hey, and you don't stop
Come on, keep moving
Hey, and you don't stop
I ain't got no time for losing
So I can't settle now for foolish
I gotta run
And I won't let you turn me 'round
'Cause nothing you're saying or doing
Can bring me down
I'm thriving, I'm pushing, I'm doing
It's my turn now
Come on, keep moving
Hey, and you don't stop
Come on, keep moving
Hey, and you don't stop
Come on, keep moving
Hey, and you don't stop
Come on, keep moving
Hey, and you don't stop
Wanna, wanna, wanna rock with us?
Wanna, wanna, wanna rock with us?
Wanna, wanna, wanna rock with us?
Wanna, wanna, wanna rock with us?
Everything I want's in view yeah
There's nothing left except to do it
Gotta live
And finally have happiness
So there's nothing you say or you do that
Can bring me down
Don't need your approval, I'm through and
You just been out
Come on, keep moving
Hey, and you don't stop

Come on, keep moving
Hey, and you don't stop
Come on, keep moving
Hey, and you don't stop
Come on, keep moving
Hey, and you don't stop
Wanna, wanna, wanna rock with us?
Wanna, wanna, wanna rock with us?
Wanna, wanna, wanna rock with us?
Wanna, wanna, wanna rock with us?
Hey, now no one can't break my stride
No one can steal my pride
I'm looking to the sky
I gotta keep moving
Come on, keep moving
Hey, and you don't stop
Come on, keep moving
Hey, and you don't stop
Come on, keep moving
Hey, and you don't stop
Come on, keep moving
Hey, and you don't stop
Wanna, wanna, wanna rock with us?
Wanna, wanna, wanna rock with us?
Wanna, wanna, wanna rock with us?
Wanna, wanna, wanna rock with us?
Come on, keep moving
Hey, and you don't stop
Come on, keep moving
Hey, and you don't stop
Come on, keep moving
Hey, and you don't stop
Come on, keep moving
Hey, and you don't stop
Wanna, wanna, wanna rock with us?
Wanna, wanna, wanna rock with us?
Wanna, wanna, wanna rock with us?
