

# Time Will Tell

MxPx

I know I'm on the edge of falling through the cracks  
My strength is spent but I can't turn back  
Nothing's gonna change the way I feel  
Only time will tell, only time will heal Failure, confusion  
Anger, revolution It's not hard to look back, it's hard to look ahead  
It's weird to think that someday I'll be dead  
Anger and confusion I can understand  
But failure, I just can't accept Failure, confusion  
Anger, revolution
