## Bran Van 3000

Okay well, we'll just start, ready
1, 2, 3, goMama, don't smoke
That much dope
Don't you worry about me?Mama, don't smoke
That much dope
Don't you worry about me?I only get high about twice a day
It helps to keep my blues awayChris said something about all them
Long-haired Jesus Christ look-alikes
Shining down on me
Shining down on meI'm more laid-back than you
I'm more laid-back than you
Yeah, I'm more laid-back than you will ever beMama, don't smoke
That much dope
Don't you worry about me?Mama, don't smoke
That much dope
Don't you worry about me?I only get high about twice a day
It helps to keep my blues away
