

Secret Plans

Eagles of Death Metal

I'm really not sure but then I want it, man
But I don't need it
Say, it's going real fast and you got it right now
But I don't see it Secret plans, midnight missions
With emotion, ooh, ooh
Secret plans, midnight missions
With emotion, ooh, ooh I want what I want, what I want
What I want, what I want
I want what I want, what I want
What I want, what I want Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh It's going real fast and you got it right now
But I don't see it
I'm really not sure but then I want it, man
But I don't need it Secret plans, midnight missions
With emotion, ooh, ooh
Secret plans, midnight missions
With emotion, ooh, ooh I want what I want, what I want
What I want, what I want
I want what I want, what I want
What I want, what I want What I want, what I want
What I want, ooh
I want what I want, what I want
What I want
