## Long Beach Dub Allstars

LukeLuke was a poor boy  
Work Very hard  
He had to work very hard  
He never had no money  
Drew that card  
Some say he drew that card  
Then when day he woke upIn the morning and said to himself  
Up off the ground  
Cause I keep falling downIs this the only way to pick myself  
Luke was a struggler  
Struggling all of the time  
You know he never had no rhymes  
All of the time  
He never had no reason  
Never no rhymes  
In the morning and looked @ the sky  
Then one day when he woke up  
Is this the only way to pick myself  
Cause I keep falling down  
Up off the groundThat's when he realized  
That everyone needs a piece of the pie  
That's when Luke realized  
Then when day he woke up  
That everyone needs a piece of the pie  
In the morning and said to himself  
Is this the only way to pick myself  
Up off the ground  
Cause I keep falling downLuke had anger, yes  
Deep down inside  
Deep down inside  
Some say he walked that line  
Walked that line  
Then when day he woke up  
In the morning and looked at the sky  
Is this the only way to pick myself  
Up off the groundCause I keep falling down  
In the morning and said to himself  
Then one day he woke up  
Cause I keep falling downIs this the only way to pick myself
