

Fix You

Glee Cast

When you try your best, but you don't succeed
When you get what you want, but not what you need
When you feel so tired, but you can't sleep
Stuck in reverse

And the tears come streaming down your face
When you lose something you can't replace
When you love someone, but it goes to waste
Could it be worse?

Lights will guide you home
And ignite your bones
And I will try to fix you

And high up above or down below
When you're too in love to let it go
But if you never try, you'll never know
Just what you're worth

Lights will guide you home
And ignite your bones
And I will try to fix you

(Tears stream down on your face)
(When you lose something you cannot replace)
(Tears stream down on your face)
(And I)

(Tears stream down on your face)
(I promise you that I will learn from my mistakes)
(Tears stream down on your face)
(And I)

Lights will guide you home
And ignite your bones
And I will try to fix you
