

# Lawnmower To Music

## Basshunter

Ladies and gentlemen

In this clip I'm going to show you the art of transformationI was watching a Swedish commercial  
about lawnmowers

When I heard a beautiful melody in the backgroundSo I recorded it  
and for you to understand the transformation

I'm going to play you the low quality sample I recorded  
Pay-attention to the piano in the background

and enjoy the transformation(Swedish commercial playing)Now this is how I startedAnd then I added the  
melodyAnd Now

The TransformationThis is the HardestThis is the HardestThis is the Hardest the hardest the hardest Fucking  
lawnmower in the Fucking world!!!
