# Block

## Machine Head

Yeah
Block
Block
Block
Hate breeds in my eyes they have seen
The decimation of all that is pure, pure
A system that feeds their machine with
The blood, sweat and money of the poor, poor
Corruption gets rich, honesty just exists
'Cause nobody cares anymore, uh anymore
Fuck it all
Fuck it all
Yeah
Block
Block
Block
White attack black, black attack back
The fuckin' media keeps us all blind, blind
Children on crack, junkies on smack
You wanna close your eyes to hide, hide
Pollution so dense, sickening existence the world
New order world decline, decline
Fuck it all
Fuck it all
Yeah
Yea
The more intense the sense of ignorance
The more intense then is the pain
The more intense the sense of ignorance
The more intense then is the pain
The more intense the sense of ignorance
The more intense then is the pain
The more intense the sense of ignorance
The more intense then is the pain
Block
Block
Block
Hate breeds in my eyes they have seen
The decimation of all that is pure, pure

A system that feeds their machine with
The blood, sweat and money of the poor, poor
Believe in something if it stops your suffering
'Cause all we have is nothing, nothing
Fuck it all
Fuck it all
The more intense the sense of ignorance
The more intense then is the pain
The more intense the sense of ignorance
The more intense is the pain
Fuck it all
Fuck it all
Fuck it all
Fuck it all
Aah
