My Collie (Not a Dog)

The Selecter

This is a government health warning
Smoking can seriously damage your brainI love my collie, it makes me feel so high
It gives me deep meditation
Oh my sweet collieI love it I love it I love it so
But I don't want it to go
I need it I need it I need it so
I'll never let it go
Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
