

You're Gonna Get It

Miles Kane

You're gonna get it,
You're gonna get it now
I'm gonna show you,
I'm gonna show you how
I'm gonna raise it,
I'm gonna raise your game
You're gonna see,
That we're not the same

Chasing tail, like you're on a trail
What's the point in knowing
Nothing at all?

Wasting time
Trying to find your bride
Burning my last fuse
So I'll give you a clue

Night enraged, locked in a cage
Well I'm breaking out
I'm gonna scream and shout

Thinking deep, I'm going in
Don't say your vows
On my parade
Choosing sides and I wanna win
Don't say your vows on my parade
