

# So What the Fuss

Stevie Wonder

Advisory - the following lyrics contain explicit language:

If I'm caught at a dance party without my dancin' shoes  
And everybody dances on my bare feet  
Shame on me  
If I'm mindin' my business just doin' the right thing  
And you try to front me off in the street  
Shame on you  
If a family's waiting for that special blessing to come their way  
But they ain't tryin' to get on their knees and pray  
Shame on them  
And if we live in a time where every nation's fightin' 'round the world  
Yet we can't all agree that peace is the way  
Shame on us Shame on me, shame on you, shame on them, shame on us  
Shame on me, shame on you, shame on them, shame on us  
So what the fuss If I gotta get up early in the morning for a job interview  
And I forget to set the stupid alarm  
Shame on me  
If my children are playin' outside like little children do  
And you come 'round there tryin' to bring them some harm  
Shame on you  
Should I be drivin' through a klantown, find a restaurant to get me some food  
And someone says "hey boy, we don't serve your kind"  
Shame on them  
And if we live in a democracy and you don't use your power to vote  
Knowin' some would like to turn back the hands of time  
Shame on us Shame on them, shame on you, shame on them, shame on us  
Shame on me, shame on you, shame on them, shame on us  
So what the fuss If I'm hooked on a habit knowin' damn well it could cost me my life  
Yet I keep doin' what I should do without  
Shame on me  
If you're locked in a marriage and your other half just gives you abuse  
Yet you've convinced yourself that there's no way out  
Shame on you

If we're jammin' the music and somebody's got the audacity  
To say that they can jam it better than us  
Shame on them  
And should there be just a handful that believe that we are totally free  
And there's no need to fight for equality  
Shame on us Shame on me, shame on you, shame on them, shame on us  
Shame on me, shame on you, shame on them, shame on us  
So what the fuss, say what the fuss Shame on me, shame on you, shame on them, shame on us  
Shame on me, shame on you, shame on them, shame on us  
So what the fuss, yeah, say what the fuss I say what the fuss  
I say what the fuss  
I say what the fuss
