

Let's Go Shopping Today

Tom T. Hall

(Tom T. Hall) Let's go shopping today, I wanna get you a dream
I wanna get you a rainbow, get you a cloud and a stream
The cloud will have silver inside, the stream will have fishes and ducks
There'll be a pot at the end of the rainbow filled with good health and good luck
Let's go shopping today all you must do is believe
You'll have everything you'll ever need, if you'll go shopping with me. Let's go shopping today, I wanna get
you the sun
I wanna get you a place to walk, get you a place to run
The place to walk will be cool, the sun will be right out of June
I wanna get you a small shiny star, get you an extra large moon
Let's go shopping today, we won't leave a thing on the shelf
You'll have everything you'll ever need, if you'll go shopping with me. Let's go shopping today, I wanna get
you a smile
I wanna get you a faith that lives forever and then for awhile
You'll have a smile you can share
you'll have a faith that is true
You'll be someone the world can love, someone the heaven's can use
Let's go shopping today, we won't need dollars or dimes
All of these things I've mentioned are free, if you'll go shopping with me
Let's go shopping today...
