

# I Say A Little Prayer

Al Green

Say a little prayer for you  
Me I go say a little prayer for you  
Say a little prayer for you  
Me I go say a little prayer for you  
From the moment me wake up  
Before me put on me make up  
Me say a little prayer for you  
Me combing me hair now  
And me wonderin' which dress me wear now  
Me say a little prayer for you  
Forever and ever, you'll stay in my heart  
And I'll love you, forever and ever  
We never will part and I'll love you  
Together, together, that's how it should be  
Without you would only mean heartbreak for me  
Me run for the bus, love  
Me ridin' me think for us, love  
Me say a little prayer for you  
At work I just take time  
And all through my coffee break time  
Me say a little prayer for you  
Forever and ever, you'll stay in my heart  
And I'll love you, forever and ever  
We never will part and I'll love you  
Together, together, that's how it should be  
Without you would only mean heartbreak for me  
Say a little prayer for you  
Me I go say a little prayer for you  
Say a little prayer for you  
Me I go say a little prayer for you  
Forever  
Forever and I love you  
Forever and I love you  
Forever and I love you  
Forever  
Me say a little prayer for you, ohh  
Forever and ever, you'll stay in my heart  
And I'll love you, forever and ever  
We never will part and I'll love you

Together, together, that's how it should be  
And I'll love you  
Forever and ever, you'll stay in my heart  
And I'll love you, forever and ever  
We never will part and I'll love you  
Together, together, that's how it should be  
Without you would only mean heartbreak for me  
Forever and ever, you'll stay in my heart  
And I'll love you, forever and ever  
We never will part and I'll love you
