Your Secret's Safe With Me

Michael Franks

Lost your toy lover boy
In the mirror take a look
You're much older nowYou used to be twenty-three
Suddenly the summer ends
And you don't know howIt was in this fun, hit and run
Sweet talk was your middle name
Always on the prowlJust one dance, no romance
Living like an alley cat
And you sure could howlYour secret's safe with me
You're tired and lonely
The only cure will be loveYour secret's safe with me
Ain't no contender
You got no fist in your gloveYour secret's safe with me
You're searching for someone
Whose got no lies to concealYour secret's safe with me
Waiting for someone
Whose eyes will tell you it's realWhose eyes will tell you it's real
Whose eyes will tell you it'sLive and learn wait your turn
Don't you know the deepest love
Comes to those who waitWhy be smart, hear your heart
Leading you to someone who
Know it's not too lateYour secret's safe with me
(Your secret's safe with me)
Tired and lonely
The only cure will be loveYour secret's safe with me
(Your secret's safe with me)
Ain't no contender
You got no fist in your gloveYour secret's safe with me
(Your secret's safe with me)
You're searching for someone
Who's got no lies to concealYour secret's safe with me
(Your secret's safe with me)
Waiting for someone
Whose eyes will tell you it's real
(Will tell you it's real)Whose eyes will tell you it's real
(Whose eyes will tell you it's real)
Whose eyes will tell you it's real
(Whose eyes will tell you it's real)
Whose eyes will tell you it's real

(Whose eyes will tell you it's real)Your secret's safe with me
(Your secret's safe with me)
Tired and lonely
The only cure will be loveYour secret's safe with me
(Your secret's safe with me)
Ain't no contender
You got no fist in your gloveYour secret's safe with me
(Your secret's safe with me)
Searching for someone
Who's got no lies to concealYour secret's safe with me
(Your secret's safe with me)
Waiting for someone
Whose eyes will tell you it's realYour secret's safe with me
(Your secret's safe with me)
Your secret's safe with me
(Your secret's safe with me)
Your secret's safe with me
(Your secret's safe with me)Your secret's safe with me
(Your secret's safe with me)
Your secret's safe with me
(Your secret's safe with me)
Your secret's safe with me
(Your secret's safe with me)
