

# Your Secret's Safe With Me

Michael Franks

Lost your toy lover boy  
In the mirror take a look  
You're much older now You used to be twenty-three  
Suddenly the summer ends  
And you don't know how It was in this fun, hit and run  
Sweet talk was your middle name  
Always on the prowl Just one dance, no romance  
Living like an alley cat  
And you sure could howl Your secret's safe with me  
You're tired and lonely  
The only cure will be love Your secret's safe with me  
Ain't no contender  
You got no fist in your glove Your secret's safe with me  
You're searching for someone  
Whose got no lies to conceal Your secret's safe with me  
Waiting for someone  
Whose eyes will tell you it's real Whose eyes will tell you it's real  
Whose eyes will tell you it's Live and learn wait your turn  
Don't you know the deepest love  
Comes to those who wait Why be smart, hear your heart  
Leading you to someone who  
Know it's not too late Your secret's safe with me  
(Your secret's safe with me)  
Tired and lonely  
The only cure will be love Your secret's safe with me  
(Your secret's safe with me)  
Ain't no contender  
You got no fist in your glove Your secret's safe with me  
(Your secret's safe with me)  
You're searching for someone  
Who's got no lies to conceal Your secret's safe with me  
(Your secret's safe with me)  
Waiting for someone  
Whose eyes will tell you it's real  
(Will tell you it's real) Whose eyes will tell you it's real  
(Whose eyes will tell you it's real)  
Whose eyes will tell you it's real  
(Whose eyes will tell you it's real)  
Whose eyes will tell you it's real

(Whose eyes will tell you it's real)Your secret's safe with me  
(Your secret's safe with me)  
Tired and lonely  
The only cure will be loveYour secret's safe with me  
(Your secret's safe with me)  
Ain't no contender  
You got no fist in your gloveYour secret's safe with me  
(Your secret's safe with me)  
Searching for someone  
Who's got no lies to concealYour secret's safe with me  
(Your secret's safe with me)  
Waiting for someone  
Whose eyes will tell you it's realYour secret's safe with me  
(Your secret's safe with me)  
Your secret's safe with me  
(Your secret's safe with me)  
Your secret's safe with me  
(Your secret's safe with me)  
Your secret's safe with me  
(Your secret's safe with me)  
Your secret's safe with me  
(Your secret's safe with me)  
Your secret's safe with me  
(Your secret's safe with me)
