West Berlin

Camel

Feel a chill in the dark
Twilight falls
Feel the beat of your heart
Danger calls

Up to the rooftop, out in the rain
Oh, yeah

Well I'm planning it out
Day by day
There's no room for doubt
Just one way

Up to the rooftop, out in the rain
Oh, yeah

And I'm looking out over West Berlin
Feeling freer now than I've ever been
When the sun sets over West Berlin
I'll be leaving, I can't come back again
And I'm looking out over West Berlin
West Berlin

In the flood of the light
Safety will shine
We'll be high out of sight
On steel cable line

Up to the rooftop, out in the rain
Oh, yeah

And I'm looking out over West Berlin
Feeling freer now than I've ever been
When the sun sets over West Berlin
I'll be free again

And I'm looking out over West Berlin
Feeling freer now than I've ever been
When the sun sets over West Berlin
I'll be leaving, I can't come back again

And I'm looking out over West Berlin
West Berlin
