Advisory - the following lyrics contain explicit language:

I've got a line
I can't find the rhyme
Nullify my time
AnnetichristDead sensation
Coldest ice, my hallucination
Crazy how my nerves were severed
Burning now, burn forever hereI've got a way
Sometimes thrice a day
Shootin' yesterday
AnnetichristDarlin' demon
Hell's device is fueled on semen
Crazy how when I get shattered
Nothin's cool, nothin' mattersNothin's cool, nothin' matters
Nothin's cool, nothin' matters
Nothin's cool, nothin' matters
Nothin's coolNothin's cool, nothin' matters
Nothin's cool, nothin' matters
Nothin's cool, nothin' matters
Nothin's cool, I'm jumping off the bridge
