Time to Let Go

Marcos Hernandez

Are you with him or all alone tonight.
Are you falling in love by candlelight.
No I, I don't wanna know.
It's time to let go.
And baby all those times I've cried alone.
Thinking maybe I should call just to see if you're home.
No I, don't want this to show.
It's time to let go.Watching the heavens, from a window where I sit.
But I'm alone this time.
Missing the sound of your laughter inside my heart.
So I'll just close my eyes.
And I never thought it would end like this.
I miss the sweetness of your kiss.
Now someone else is slowly taking my place.
I think about it everyday.Are you with him or all alone tonight.
Are you falling in love by candlelight.
No I, I don't wanna know.
It's time to let go.
And baby all those times I've cried alone.
Thinking maybe I should call just to see if you're home.
No I, don't want this to show.
It's time to let go.Now I think about all the times we shared together.
All of the good and bad.
No, I told you I'm sorry.
And I'm the one who cheated.
But I can't keep blaming myself (oh no.)
Cause every part of me is feeling this.
I can't escape my loneliness.
But I've got to find the strength to say it's okay.
I know this pain will go away.Are you with him or all alone tonight.
Are you falling in love by candlelight.
No I, I don't wanna know.
It's time to let go.
And baby all those times I've cried alone.
Thinking maybe I should call just to see if you're home.
No I, don't want this to show.
It's time to let go.When I wore my heart up on my sleeve.
Were you're frightened by my honesty.
And maybe that's what made you leave.

Doesn't matter now, baby I'll be fine.Are you with him or all alone tonight.
Are you falling in love by candlelight.
No I, I don't wanna know.
It's time to let go.
And baby all those times I've cried alone.
Thinking maybe I should call just to see if you're home.
No I, don't want this to show.
It's time to let go.
