

Vortex (alternate Version)

Megadeth

Internal combustion
Multiple personalities
Terror inside of me
A mask of silent agony
Curse the falling rain
The vortex of pain
As medieval as Merlin
A pact for power was made
Lucifer in transition
It's time the price was paid
Scorching the domain
The vortex of pain
A telestic message
Written in torment
Howl out dirges
Like the horns of Jericho
Distorted faces
Writhing in rage
Walls of purgatory
Tumble down
Endless death
The jewels of a crown
