

I Want It All

Depeche Mode

I see a river
It's oceans that I want
You have to give me everything
Everything's not enough It's my desire
To give myself to you
Sometimes Sometimes I try
Sometimes I lie with you
Sometimes I cry
Sometimes I die, it's true
Somewhere I find
Something that's kind And I've crossed the line again
A line I drew in sand
Still you give me everything
And everything's not enough I'm ready but not willing
To give myself to you
Sometimes Sometimes I try
Sometimes I lie with you
Sometimes I cry
Sometimes I die, it's true
Somewhere I find
Something that's kind Come on over
Lay down beside me
And I'll try Come on over
Lay down beside me
And I'll try
And I'll try I want it all
