If you believe the western sun
Is falling down on everyone
If you break it free and the mornings come
If you would know your time has come If you believe the western sun
Is falling down on everyone
And you feel it burn, don't try to run
And you feel it burn, your time has come And I feel it You feel another energy
And I feel a power growing
You feel another energy
And I feel a power grow You feel another energy
And I feel a power grow If you believe the western sun
Is falling down on everyone
If you break it free and the mornings come
If you would know your time has come If you believe the western sun
Is falling down on everyone
And you feel it burn, don't try to run
And you feel it burn, your time has come And I feel it You feel another energy
And I feel a power growing
You feel another energy
And I feel a power grow You feel another energy
And I feel a power grow Aum Namah Narayana, Aum Namah Narayana
Aum Namah Narayana, Aum Namah Narayana
Aum Namah Narayana, Aum Namah Narayana
Aum Namah Narayana, Aum Namah Narayana Aum Namah Narayana, Aum Namah Narayana
Aum Namah Narayana, Aum Namah Narayana
Aum Namah Narayana, Aum Namah Narayana And I feel it, and I feel it, and I feel it
You feel another energy You feel another energy
And I feel a power growing
You feel another energy
And I feel a power grow
