Shorty Doowop

Baby Bash

Yea, that?s my shorty doowop
Yea, that?s my shorty doowop
Yea, that?s my shorty doowop
And I can?t wait to be alone with you
I bet you ain't never seen a shorty so fly
Pushin' candy paint with the chrome choppin' by
Throwin' up player wave to my partnas on the block
They all show love to my shorty doowop
In a juicy fruit jeans bumpin' that 3 15s
Livin' every fantasy and ghetto girl dreams
Watchin' swinging bang and she bend another corner
Lookin' way cool comin' through with the dojure
Now after two honey bunts I discovered the buzz
I?m call her shorty she gonna call me love
And through the thick of it all she accepted collect calls
When the daddy got caught up by the law
Yea, that?s my shorty doowop
Yea, that?s my shorty doowop
Yea, that?s my shorty doowop
And I can?t wait to be alone with you
For real tho, for real tho, for real tho
She the girl in the movie and I?m the hero
Stuck with me with the violated p-role
And came up when she started with zero
Baby Bash Latino Robert Denero
She got with me 'cuz her hubby was a weird-o
And yes sir she lookin' so mighty mighty
Love me 'cuz I?m fresh and clean and so tighty
A missing piece to the puzzle, the grind, the hustle
Respect when I?m good and love me when I?m in trouble
And yes sir, oh no, and yes sir, she lookin' so throwed
Yea, that?s my shorty doowop
Yea, that?s my shorty doowop
Yea, that?s my shorty doowop
And I can?t wait to be alone with you
I can?t wait to be alone with you
'Cuz you the only boo who do the freaky things you do
You keep me feelin' high, you keep my drama low
Yea, I?m your shorty boy but you already know

Yea, that?s my shorty doowop
Yea, that?s my shorty doowop
Yea, that?s my shorty doowop
And I can?t wait to be alone with you
