

Lydia

Chastity Belt

Will you keep our love and your mistakes?

And what's left, I will be free to take

And I can't lie if I don't know the truth

Just another night, drunk and confused Will you keep our love and my mistakes?

And what's left, I will be free to take

When the fog meets the water of your lies

When the fog meets the water of your lies What is real is what you feel When the fog meets the water of your lies

When the fog meets the water of your lies

(When the fog meets the water of your lies)

What is real is what I feel

It's real
